

Welcome to Barry Camera Club

Welcome to the Barry Camera Club's programme for 2011/12. We have created a programme that reflects the wishes of our members following wide consultations.

Well chosen lecturers and practical sessions throughout the season, we hope, will create the potential for learning. Our aim is to encourage and stimulate our members, young and old to learn more about the art of photography.

Prospective members are invited to come along free of charge for a couple of evenings to see what we can offer. You will always have a warm welcome and enjoy a friendly atmosphere.

You don't have to have posh camera gear to be a member, you just need to be enthusiastic about photography.
